

**Declaration of the Use of Generative AI Tools –
Economics Programme at the University of Copenhagen**

☒ I/we have used generative AI as a tool/aid (*tick the box*)

☐ I/we have NOT used generative AI as a tool/aid (*tick the box*)

If the use of generative AI is permitted in the exam, but you have not used it in your assignment, you only need to tick the box indicating that you have not used GAI, and you do not need to complete the rest of the form.

List the generative AI tools used, including a link to the platform (if possible):

VS Code Chat assistant

Briefly describe how generative AI has been used in the assignment (max. 100 words)

Generative AI tools, including ChatGPT and the VS Code Chat assistant, were used in accordance with the exam instructions to support coding. This included understanding and correcting errors, suggesting code implementations, setting up code structure, simplifying and improving the readability of self-written code, and locating relevant materials from the course lectures.

NB: GAI-generated content used as a source in the assignment requires correct use of quotation marks and source referencing. Please refer to the guidelines from the University of Copenhagen Library on KUnet [here](#)
